## IF YOU ARE AN AGED CARE SERVICE WE CAN:

- ♦ Provide FREE cultural competency training
- ♦ Provide cross cultural mediation and conflict resolution management
- ♦ Provide resources, information and support for service providers to better meet the needs of older people from culturally and linguistically diverse (CALD) backgrounds
- ♦ Link aged care service providers with relevant cultural communities to facilitate understanding of culturally complex issues.

## Aims:

To equip aged care services to deliver culturally appropriate care to older people from culturally and linguistically diverse communities.

To ensure the special needs of older people from culturally and linguistically diverse communities are identified and addressed.
