*Please advise of any
dietary requirements
when registering.*

Aged and community care providers are invited to come together to improve our culturally responsive aged care

Hear from and learn about:

- **Consumer perspective:** Considerations when providing culturally appropriate aged care to Indian communities by **Ritu Ahir**
- **Government perspective:** Multicultural aged care update by **Ian Poales**, State Manager, Aged & Community Care Providers Association.
- **Multicultural aged care provider perspective:** **Mercedes Sepulveda**, Cultural Services Advisor, MiCare shares practices from their multicultural aged care service.

Includes catering and is a *no cost* event
