

RESOURCES (1)

ELDAC - End of Life Direction for Aged Care

[View >>](#)

This resource enables aged care providers to review and reflect on their organisational capacity to support advance care planning, and provide quality palliative care that is culturally safe and inclusive.

Culturally Sensitive Resources—Palliative Care Victoria

[View >>](#)

Resources developed by community for community.

Advance Care Planning - Multicultural Videos

[View >>](#)

A new series of new captioned videos featuring Vietnamese, Arabic and Turkish community members talk about their own advance care planning experiences.

Advance Care Planning - Language Resources

[View >>](#)

Advance care planning information in language.

Palliative Care Australia

[View >>](#)

'It's more than you think' campaign.

Health Translations Victoria

[View >>](#)

Health Translations collection of End of Life resources.

Clinical Excellence Queensland - Bereavement Support

[View >>](#)

The Care at End of Life project team has developed a range of resources to provide support and direction for people who are bereaved.

A Guide to Palliative Care Education Resources

[View >>](#)

This Guide to Palliative Care Education Resources has been developed from a suite of work undertaken by the SPACE project's Education Working Group.

RESOURCES (2)

Department of Health and Aged Care - Translation Services

[View >>](#)

The Australian Government Department of Health and Aged Care is offering free translation services to help aged care providers communicate with older Australians in their preferred language.

TIS National for Aged Care Service Providers

[View >>](#)

The Australian Government offers interpreting services to help people from culturally and linguistically diverse backgrounds access and navigate the aged care system.

Queensland Government Statement of Choices Form

[View >>](#)

The Statement of Choices can be used to record views, wishes and preferences for health care. Its purpose is to guide or inform those who need to make health care decisions for a person who is unable to make those decisions for themselves.

Karuna Hospice Services

[View >>](#)

Karuna Hospice Services provides in-home palliative and spiritual care and counselling to people with terminal illness to live well and die peacefully.

Advance Care Planning Resources for Culturally and Linguistically Diverse People

[View >>](#)

Interpreters available to help non-English speakers learn more about Advance Care Planning.
